A Gift From the Heart

Giving the gift of your time is one of the most rewarding experiences in life. While you are helping another that is in need you are also helping yourself. Volunteering is fulfilling in many ways, including developing new friendships that can last a life time. When you volunteer, you are sharing your wealth of experience and wisdom.

When asked to put their volunteering experience into words, here is what the volunteers of the Ronald McDonald House and Family Room have to say. "It's such a warm and friendly family environment. ", "I love the home-like atmosphere" , "We (staff & volunteers) are big family."

If you are interested in sharing your time
 The Ronald McDonald House and the Family Room
 Are in need of people with your experience!
