## Ronald McDonald Family Room Grand Opening in The Children's Hospital at Providence Memorial Hospital

The Ronald McDonald Family Room provides a haven right inside the hospital for families of children undergoing medical treatment. While providing some of the comforts of home, it helps alleviate the anxiety of being in a hospital environment. Families may use the area to rest, reflect, get something to eat and drink, and even shower.

This Ronald McDonald Family Room is made possible by generous contributions from the community, The Meadows Foundation and Ronald McDonald House Charities of El Paso. Only immediate family members of hospitalized children, age 18 or younger, are eligible to use the Ronald McDonald Family Room. (Immediate family members include parents, grandparents, legal guardians and close family.)

We still need volunteers!

The Family Room will be staffed by volunteers from 9am to 9pm seven days a week. Shifts are from 9-1, 1-5, and 5-9.

If you would be interested in helping, please contact Tami at the Ronald McDonald House.
